Please join us at Soundlab for a live concert by Vinny Golia (woodwinds, composition). Golia is accompanied by Adam Lane (bass) and Vijay Anderson (drums).

Based in Los Angeles, Vinny Golia and his Nine Winds label are at the heart of the Californian free improvisation community. He came to attention in the 70s as a multi-instrumentalist and as a prolific and highly original composer. He is a leader of countless music projects, from solo to large ensembles. His arsenal of wind instruments is vast and he delights in exploring every sonic possibility from each of them. He has an extensive recording body of work that includes his collaborations with Nels Cline, Tim Berne,

Wadada Leo Smith, Bobby Bradford, John Carter and Jeff Kaiser. This special appearance is part of an extremely rare east coast tour.
